Creating your calendar...

- ✓ Please use this form to order your calendars. Select 13 of your favourite photos or digital images saved as jpeg files on a cd and unique promotions will reproduce them to create a totally unique calendar one photo per month starting on the month of your choice.
- ✓ You have the choice of three designs to choose from which can be created in A4 or A3 size. all calendars are printed on 140gsm coated paper with a printed card cover and card backed, spiral bound with a calendar hook at the top ready for hanging in the home or at work. each calendar comes with a envelope.
- ✓ We accept colour and or black and white images, any size up to A4 (210mm x 297mm) but no negatives or slides please.
- ✓ With enlargement small imperfections are emphasised, scratches, spots, soft focus, grain, blurring, red-eye all become more noticeable. Some variance in colour balance and saturation is to be expected. Landscape images fill the page better. Some slight cropping may occur so that we can get the best fit on each calendar page for your image.
- ✓ Mobile phone images can be used but please refer to point above.
- ✓ If you place your order on line you can now add captions underneath the photos at no extra charge, orders sent to us or placed instore do incur an extra charge for this service £3.00 per calendar.
- ✓ Unique Promotions always give you 3 identical calendars for the price of 2.
- ✓ Please mark the back of your photographs lightly with a pencil identifying which month you would like them to appear, or if supplied on disk saved as the month name as jpeg files.
- ✓ Please pack securely your photographs and return with the order form to us at the address on reverse.
- ✓ Copyright notice: It is a legal requirement that you own the copyright for any image given to us for copying or you have the permission of the owner of the copyright.
